QUESTIONNAIRE

The Old Chapel Alveley

This building has been a well loved centre of friendship and worship at the heart of the village - now in its 150th year.

Back in March 2011, St Mary's PCC were sure enough of its importance for the village to bid for the building, and now we're exploring in more detail how and when to try to refurbish and equip it best.

We think we've got some great ideas, but they need guidance and help, and even more, we want to know how *you* would like to see the building used, and to hear from your experience just how we can together take the right ideas forward.

As you turn over and join this adventure, perhaps ask yourself: *how could I make a difference here?*

Please tick or circle the appropriate items and add your suggestions.

The village has two excellent meeting halls in The Village Hall and The Pavilion: we believe The Old Chapel's role to be quite different and *not* in competition with these.

But what are your priorities?
